

# Get paid quickly, easily, and safely.

Practice Management Bridge® helps practices realize more revenue.

The Florida WellCare Alliance proudly partners with Rectangle Health, an innovator of healthcare payment solutions for over 25 years, to bring you Practice Management Bridge – a simple, safe, and secure payment platform. This turnkey technology interfaces seamlessly with your current EMR system, allowing you to easily track, manage, report, and reconcile patient payment information.

## Practice Management Bridge®

- ✓ Offers convenient, contactless payment solutions.
- ✓ Interfaces seamlessly into any practice management system.
- ✓ Expedites payments before, during, and after care.
- ✓ Replaces outdated processes with digital automation.
- ✓ Stores patient data in a reliable, secure backend.
- ✓ Allows for functionality to be leveraged across locations.
- ✓ Improves communication between practice and patients.
- ✓ Implements quickly with easy, remote installation.

# Practice Management Bridge® helps practices realize more revenue.

From digital registration to contactless payments, Practice Management Bridge is everything you need to enhance the patient experience. Saving time, money, and effort, its easy-to-use payment management and posting tools improve office efficiency and practice profitability.

## Key Features

### Text to Pay

Allow patients to make online payments through text message links.

### Card on File

Safely store preferred payment information for future charges.

### Contactless Capabilities

Accept Apple Pay®, Google Pay™ and Samsung Pay® for touch-free payments.

### Flexible Payment Plans

Make financing manageable by offering smaller payments over time.

### Automatic Posting

Easily post payments to the patient ledger in your practice management system.

### Online Payments

Accept payments on your website and share the link on emails and statements.

### Digital Patient Registration

Let patients fill out forms electronically before visits through a text or email link.

### Customizable Messages

Send patients reminders, outreach, billing notifications, and more in text messages.

Contact Rectangle Health today to discuss your unique challenges and opportunities with a Practice Management Consultant.
